

## **Collection Tub Coordinator**

Voluntary Role

No CV Required

Use of car essential

Age 18 and above

### Role Description

Connecting with your local community and raising vital funds for Halton Haven Hospice couldn't be easier!

We are looking for enthusiastic and friendly volunteers to help us raise money and awareness for the hospice. This is a flexible role that will work around you.

Your role will be to place collection tubs in local businesses such as newsagents, chemists, pubs, and doctors' surgeries, all within the local community, and to continually look for new sites to locate tubs.

The new coordinators will visit sites, every 3 months, to replace tubs with fresh ones, checking they are correctly labelled, sealed and secured. Full tubs are to be returned to the Fundraising Office to be counted.

All money raised will pay for incredible end of life care for those living with terminal illness and support for their loved ones in Halton and surrounding areas.

This flexible role can fit around your usual activities. Full training will be provided, and volunteer registration will be required.

This is a great opportunity to gain valuable fundraising experience, develop your communication and build relationships within your local community.
